

Support Group Calendar 2019

We invite all those diagnosed with Huntington's disease, their families, caregivers and individuals who are at risk to attend our Support Group meetings. Meetings provide a supportive environment where participants can share concerns, challenges, and successes. In addition, participants can lend emotional support to one another and lessen feelings of isolation. Meetings are always free to attend and all locations are accessible. Your involvement is important for our support groups! At a meeting, you might learn about a community resource, discover a new research study or hear from a guest speaker. Please consider joining us!
